

Sky Deep (FULL Stage Plan)

CONCERT

Extra Info

A table is needed for Sky Deeps controllers and laptop. **Table size approx. 1 square meter

**Table should be positioned at a diagonal on the platform.

Monitor Groups

Group	Soundmix
Group 1	All instruments w/ focus on Vox & BG vox
Group 2	Main Mix

Lighting technicians may choose from our preferred list of colors:

Spots: No Color

Washes: R02 (bastard amber), R333 (Blush pink), R99 (chocolate)
When using color, R333, R305 and R34 are all good colors to stay with.

other options:

Side wash: AP7330 (warm vibe), AP4970 (cool vibe)

High Side Wash: AP7100 (warm vibe), AP4650 (cool vibe)
